### The Walmer Castle, Notting Hill

This 1845 boozer has come a long way from its Dickens-era roots, with bespoke furnishings by Rupert Bevan and antiques sourced from Portobello Road. But it's harking back to Victorian dining tastes with a beef shin and oyster pie - a common 19th century pairing, when oysters were cheap and plentiful, and their briny sweetness offered a pleasant contrast to beef's more robust flavours. Known for championing local butchers and fishmongers, Walmer Castle will use its carefully sourced produce to revive this recipe, which was mentioned in Dickens works like *The Pickwick Papers*. It's served with thyme mash and a crisp, deep-fried oyster on top.
